ASX Release

23 July 2010

Mantle Update on the Mt. Mulligan Supreme Court action.

Mantle Mining Corporation Limited (ASX: MNM) (Company):

On 19 March 2010 the Company announced that its wholly owned subsidiaries Trafford Coal Pty Ltd and Mt. Mulligan Coal Pty Ltd had commenced proceedings against Calcifer Industrial Minerals Pty Ltd (Calcifer) in the Supreme Court of Queensland to enforce an agreement for the assignment of the Mt. Mulligan tenements.

On 22 April 2010 the Company announced that Calcifer had filed a "Notice of Intention to Defend and Defence" in the Supreme Court of Queensland. Calcifer contended that conditions precedent to the sale of interests in the Mt. Mulligan tenements were not satisfied. The Company's position is that the conditions precedent were waived.

Further to the Company's announcement of 22 April 2010:

- The Company has:
 - Provided Calcifer with its list of relevant documents (in accordance with its obligations under the court rules),
 - requested that Calcifer provide further and better particulars of its defence, in particular, clarification on which conditions precedent Calcifer is contending were not met, and
 - requested that Calcifer deliver its list of relevant documents.
- Calcifer filed a Notice of Change of Solicitor.
- Due to an alleged conflict of interest, the Company retained Allens Arthur Robinson Lawyers and filed a Notice of Change of Solicitor.
